Croyde is reached via junction 27 off the M5 to Barnstaple A361. In Barnstaple follow signs to Ilfracombe still on the A361. In Braunton approx. 4 miles from Barnstaple you will come to a set of traffic lights after the pedestrian crossing signed posted to Croyde and Georgham B3231. Turn left and follow the road straight on for 4 miles until you reach Croyde. If you drive right through the village turn left at the centre by the bridge, go past the garage up the hill. Turn left at Moor Lane and head straight towards the beach Croyde Burrows parking is opposite Ruda and the site is about 50m from there.

Below are lists of B&B's, camping and Holiday Centres. Please Book early as it is a busy weekend in the village

With Regards to Ruda Camp site, I would suggest that this is the best location if you are camping, as it is a short walk to the site. (Anywhere is fairly close to the beach max 20 min walk) They have a policy of not allowing single sex parties. If you ask they may consider you favourably if you say you are competing in the Gold Coast Festival but it is not guaranteed.

There will be 3 permanent volleyball nets already up on the beach so if you are looking for a game follow your nose to the centre of the beach. Also you may want to check out the permanent beach volleyball court . This is located in the centre of the village, behind the village hall at the far end of the car park on the village green.

Any questions please contact me.
